Class History

In the year of 1936 a bewildered group of youngsters entered the first grade of Perry School. Since then many have been added and only about nine of the original have continued here to graduate in '48. Some of us were in a play, "The Doll Shop". These nine are Howard Acker, Marie Brindza, Jean Few, Bob Frey, Inez Shook, Pauline Steele, Marge Sweet, Gilbert Smith, and Cherie Von Lehmden.

It was a hard struggle but we passed into the second grade. We had quite a few parties and excursions. Remember when Mr. Densmore took us to Hell's Hollow? And to a sugar bush in Thompson? We again participated in a musical program, "Hansel and Gretel" in which most of us were cookies - and goodies (goodies, that is, only as far as the script was concerned).

Well, that year went fast and soon we were in the third grade. Then, came the forth grade with more fun and learning. Mr. Densmore again took us on a picnic. This time it was to Squires Castle which has never been the same since. For that matter, neither have we.

Soon the fifth grade welcomed us and we realized that in only two more years we would be upstairs. Mrs. Champion, our teacher, must have been quite disgusted with us because she took us to the Painesville jail one day--just for a sight seeing trip. I guess she didn't want to loose us badly for we were all carefully instructed to hold on to the clothes line which she brought along, as we went through the jail and the Painesville Telegraph building.

Our musical talent seemed to have been found in the 6th grade. Miss Kniesley, our teacher (Mrs. Fisher) directed us in a minstrel show which was liked so much that we were asked to put it on a second time. We even got our names in the paper. Although we had participated in all the musicals the preceding five years we were prouder because we did it all ourselves. After a hectic year of studying we decided to celebrate the last day of school by going on a picnic to Lutz's, by the river. At the end of the day we returned to school dirty and tired, looking like we had a good time-which we did.

At last we were in the seventh grade. We continued to display our good talent in presenting before the school a comedy play "Uncle Podger Hangs a Picture", revised by Cherie Von Lehmden and Eloise Tikka.

In the 8th grade we were teasingly called insurgents by our teachers but sometimes they really meant it. When it came to buying war bonds and stamps we were always on top. We also sponsored a dance called the March Hop.

The day we became freshmen was a most happy but confusing time of our lives. Everyone asking everyone else what subjects to take and getting simply nowhere. Closer to the Junior year we began raising money for the prom by sponsoring a skating party and a dance. The girls had a party of their own at Few's. Quite a party----Eh Cherie?????????

Will we ever forget the field trips Mr. McArthur, our tenth grade teacher, took us on? Especially when he would suddenly stop us and exclaim that we were in the middle of posion ivy. It happened every time. We sponsored a Championship dance for our victorious football boys and also a skating party and a Marician show. A Halloween party was again enjoyed by the girls and whole class got together for a party at Steele's.

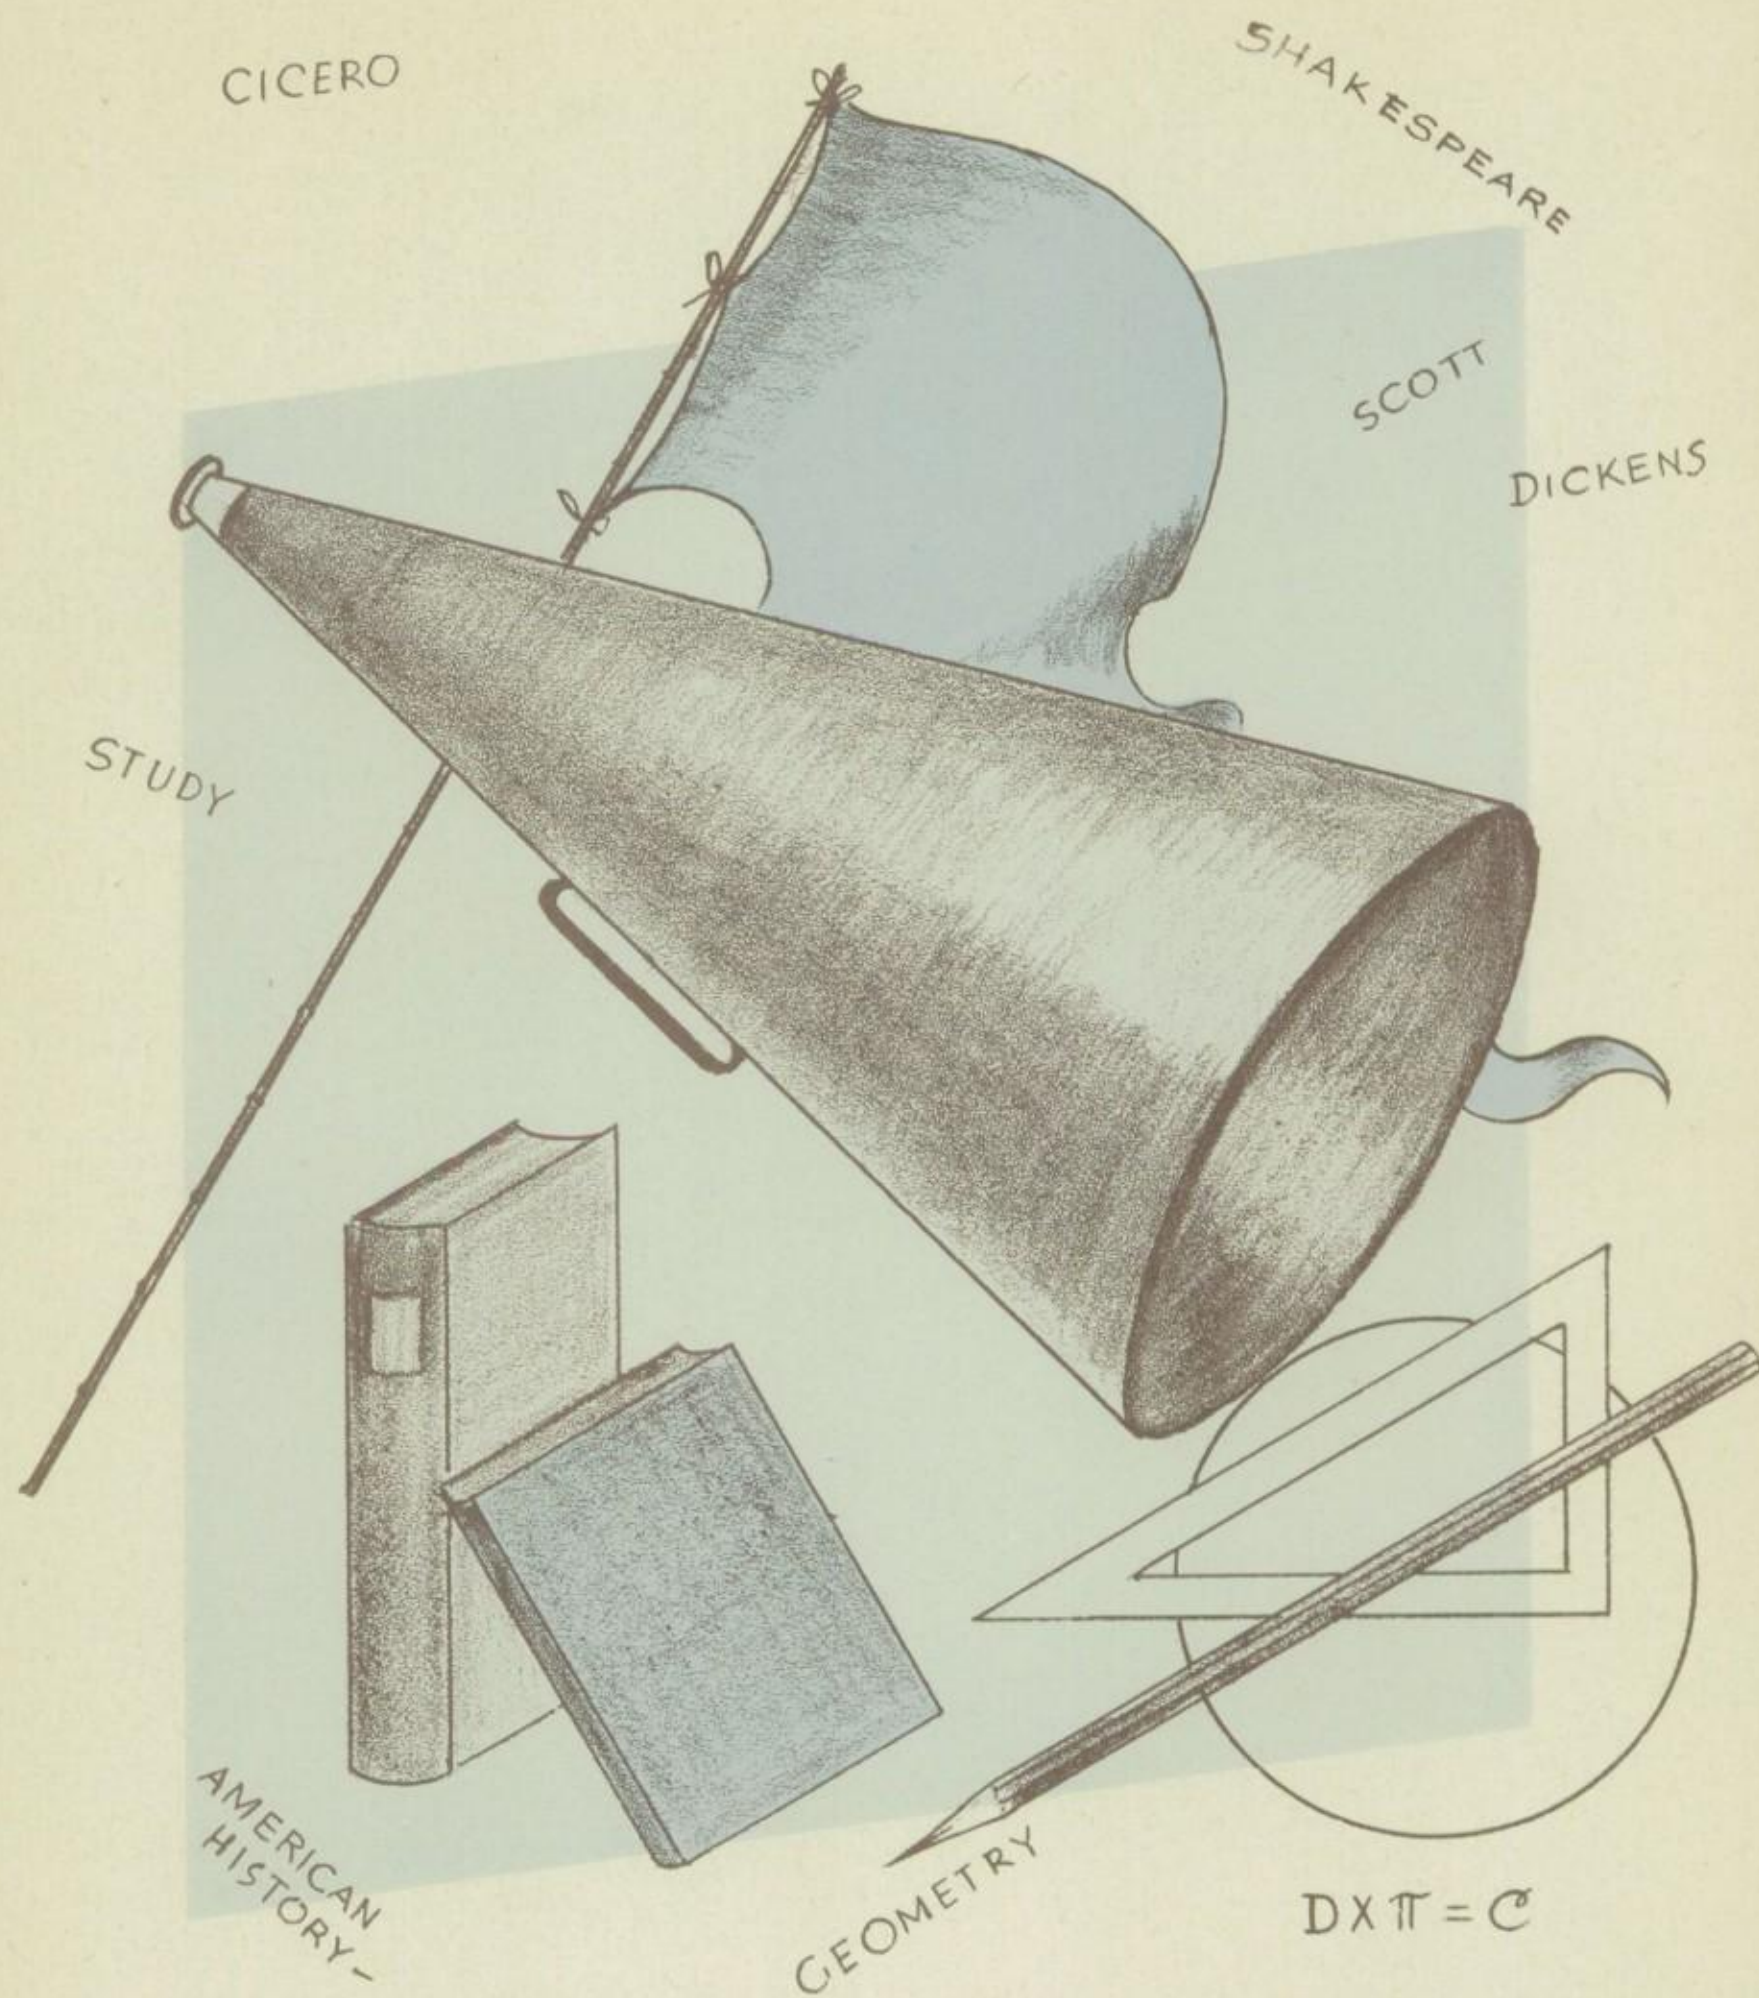

By the time we were Juniors, it was known whenever Mr. Few was in a bad mood, we were the cause. It seemed we were blamed for everything that went wrong. Have you noticed that some of us have house-maid's-knees and dishpan hands? That was caused when we had to wash the walls in the Junior room. We sponsored a dance and also a prom; one that was said to be the best in years. Our speech class presented a play, "I'LL LEAVE IT TO YOU", directed by Miss West.

Then came our last year of school--we hoped! We sponsored a dance, and on the fatal day of February 13 we presented to the public a howling, good comedy "OUR HEARTS WERE YOUNG AND GAY". Thanks to the fine coaching of Mr. Miller. A few weeks later we had a class party. Chile was served by the boys--also cooked by them! After eating we were off to the skating rink for a good time. Soon came graduation day, the goal for which we had been striving for twelve years. In spite of all our gripes and disgusted looks all through the years, on that day we were really sorry to leave good old P.H.S. As we look back over the years we begin to think it wasn't so bad after all; in fact they were the happiest years of our lives!

Junior Class History

In the year of '46 a determined group of freshmen entered into their first year in Perry Hi School sponsored by Mr. Cunningham. This class may be better known as the forty-niners or the Juniors of '48. Our officers of that year were Bill, Mary, and Lloyd. Both boys' and girls' main interest was in sports. The fellows did a terrific job on the P.H.S. reserve squad. They showed us how they could play when they beat the sophomores in the tournaments. Well the girls showed the boys that they could do just as good by beating the sophomores girls. That year the "Floor Dusters" became known as we sponsored a skating party at Madison Rink. As freshmen trying to stand up on wheels we couldn't have picked a better name.

As the year came to a close and although Mr. Cunningham had grey hair and after trying to teach us or rather train us for our future we finally advanced and became now known as the "sophies". We were sponsored by a swell army flier, Mr. McKenna. Our officers this year were: Berdina, Lloyd, Lorraine, and Mary.

We also welcomed three new members, Owen Cottrell, better known as "Cotty"; Jeanette Pocza from Fairport; and Bill Ashcraft brought us a touch of the south.

Sadie Hawkins was popular as we put on an original "Dog Patch" dance, with our campaign a great success as Berdina and Bob Hilborn reigned as "Daisy Mae" and "Little Abner".

We also helped to make the P.T.A. carnival a success as we turned the locker room into a fun house and for our class project we took a hand in acting as Mr. McKenna directed our play--"Peace, It's Wonderful".

Our boys were now reigning on varsity and the girls won the basketball trophy--our pride and joy.

Now it was time for our class party and it was down to Perry Park for a swell time. How could Lake Erie be so cold?

Well now we were getting ready for the big year in our lives.--We had reached our goal as Juniors and we were still proud to have Mr. McKenna sponsor us.

Our boys were simply terrific in their record of sports; the girls were out for a brand new sport--hockey and also took positions on the football field under the lights for the big all-star game. But we lost quite a few members as our basketball all-star, Charlotte Bunnell moved to Madison, Mary Lou Eckert thought Arizona might suit her better, and Mary Ilardi switched her school life into a married one.

Don Schmidt came to join us from Madison.

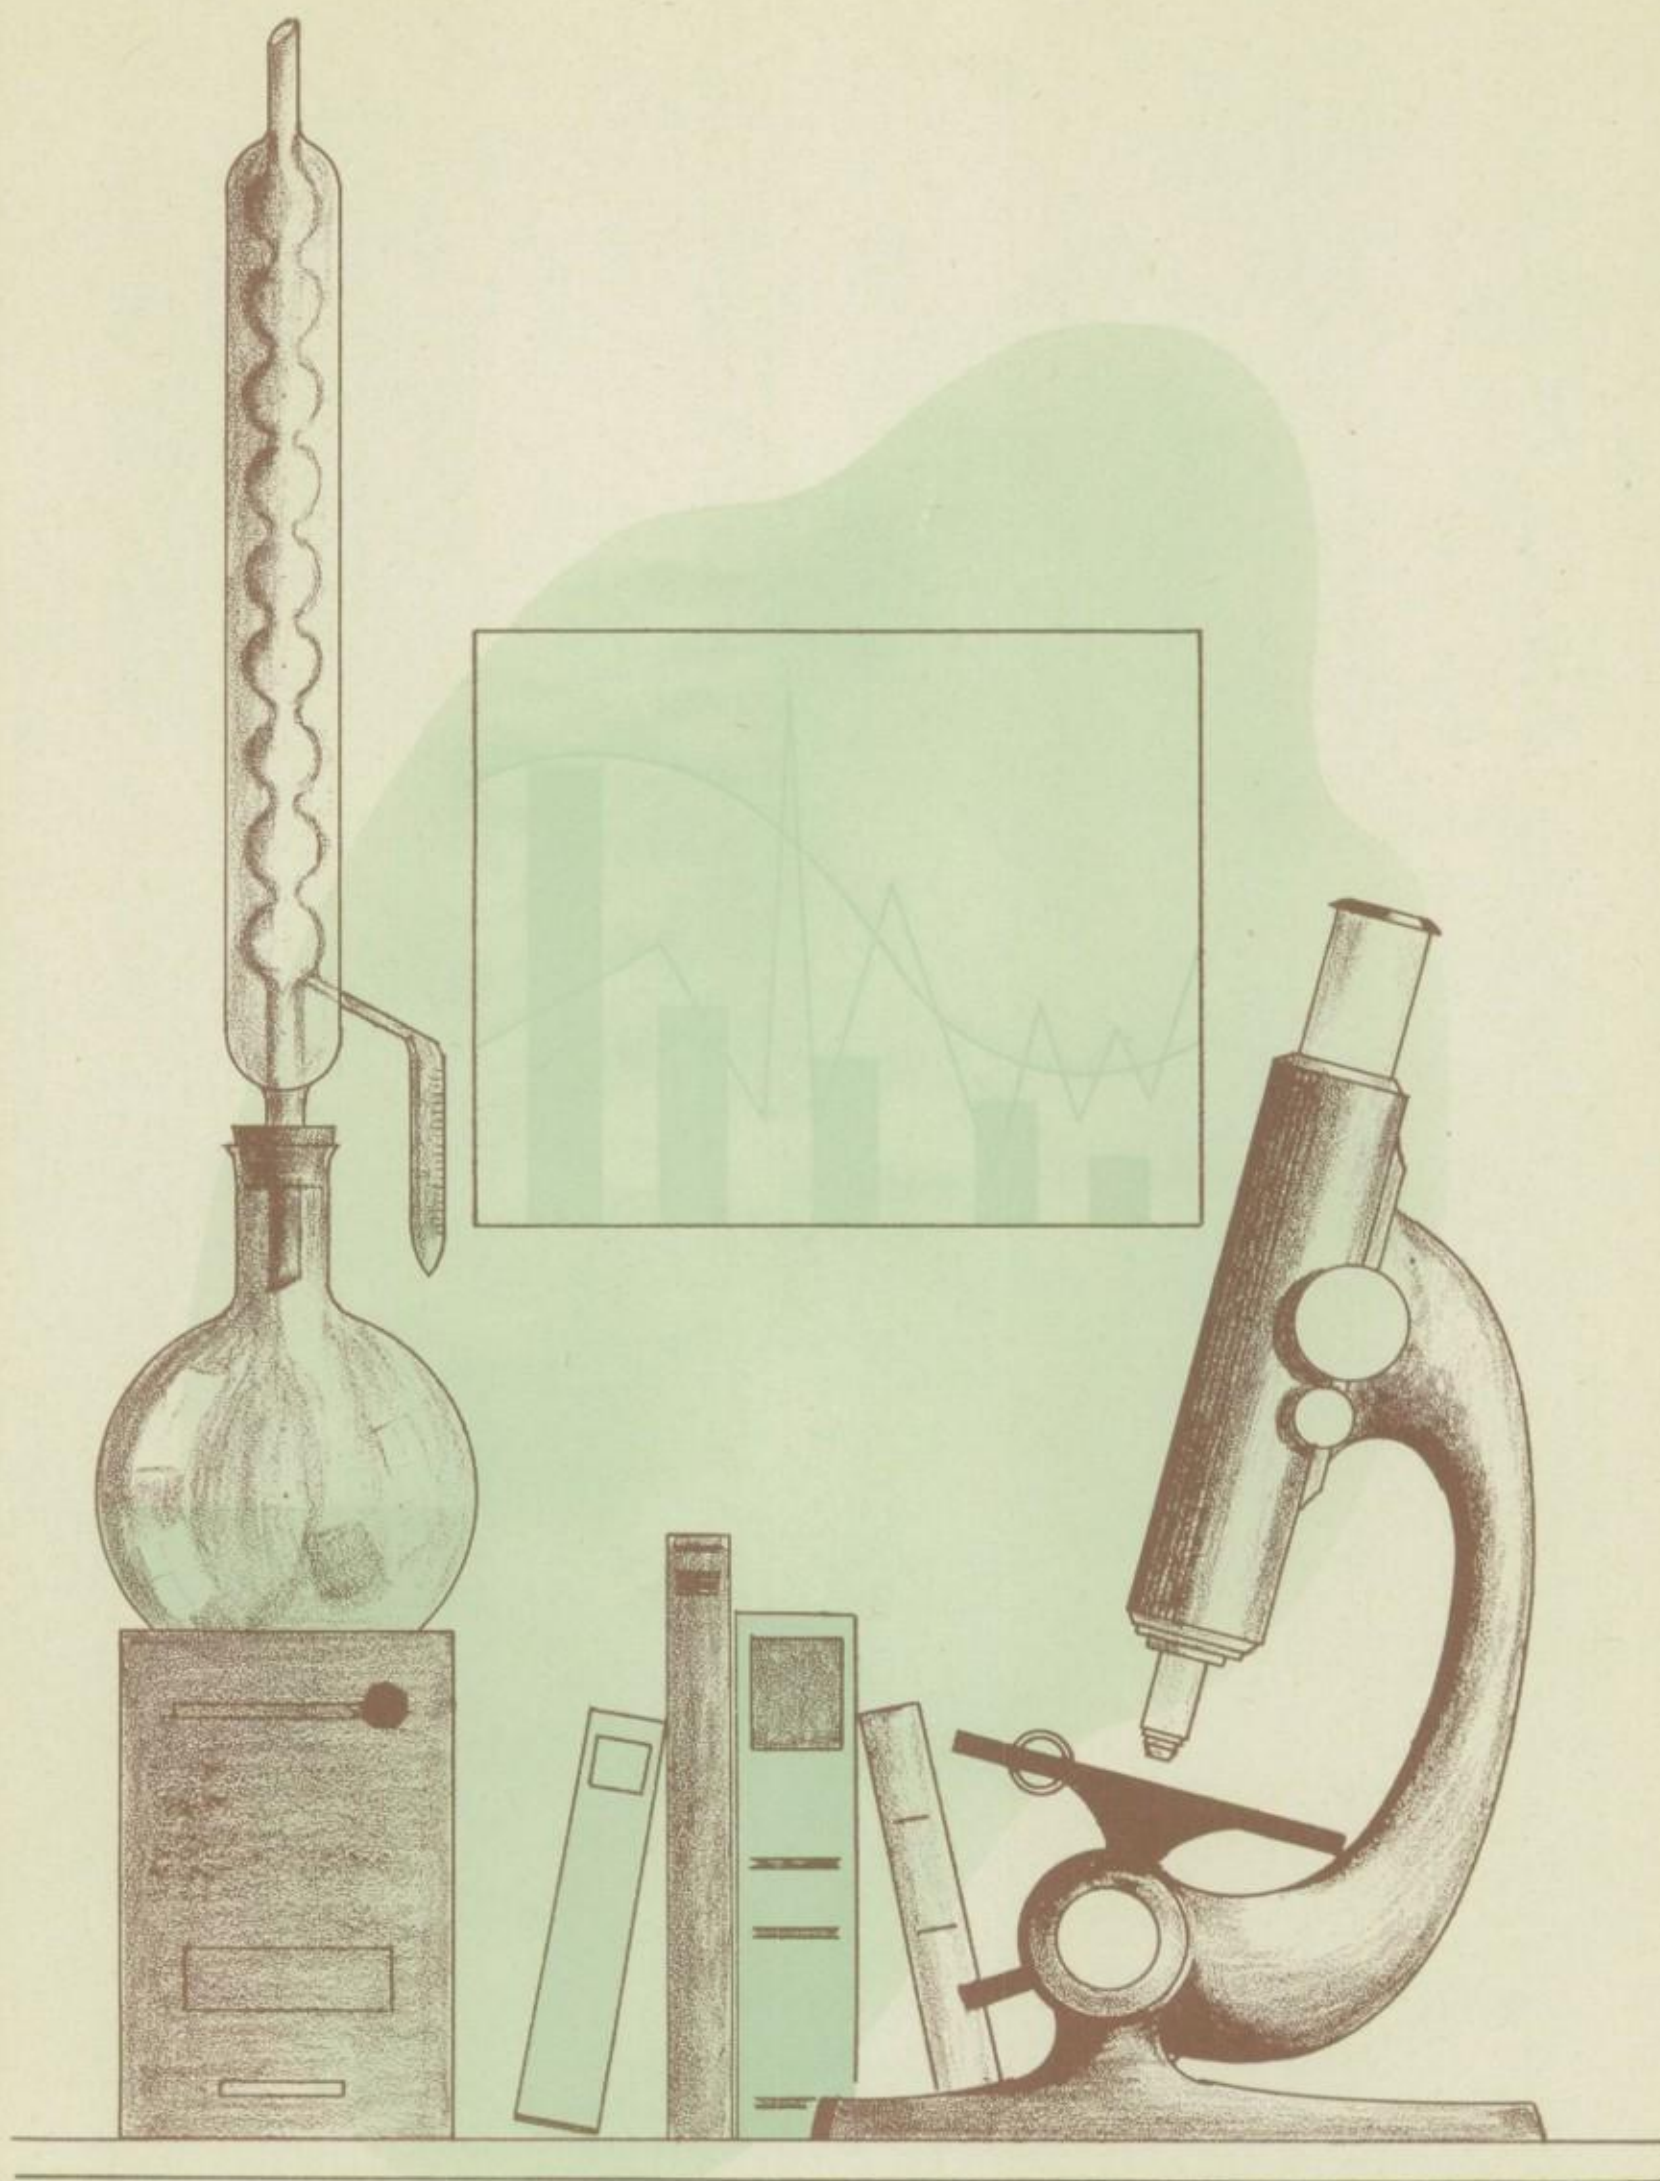

Our class now had a fine scholarship record and the girls still clung to their basketball trophy.

This year the girls got their chance as we sponsored a Leap Year Dance and every one was whispering "FLANNIGAN'S SHENANNIGANS".

Class officers this year were Lloyd, John, Mary, and Aletha, who did a swell job.

And after our serving and work at all the games and after we got the bills figured out we were finally ready to hold in the spotlight of the year a very successful prom at Menikiki Country Club.

Green and grey reigned as our class colors with the green carnation and grey ribbon. "The Sun of Success Never Sets" as our motto for the gold hunters of '49 as we brought to a close our wonderful year as Juniors.

Well, this time Judy and her girl friend, Barbara Winsocket, are determined to beat the slacks off Tootsie Whiteman by soliciting contributions to the community relief fund: the winner to be crowned queen. It just so happens that Tootsie wins, but due to a terrible misfortune who do you suppose is crowned queen? That's right, Judy Foster!

ATHLETICS

Football Squad

Bottom Row-L. to R.: Woodworth, Wyant, LeBaron, Kangas (Capt.), Carter, Rockow, Taylor, Barto, Rideout and Densmore (Mgrs.).

Second Row-L. to R.: Coach Porowski, Robinson, Hilborn, Watson, Taft, Cole, Thompson, Angeloro, Ashcraft.

Back Row-L. to R.: Neylon (Mgr.), Brown, Droese, Thompson, Brewster, Elliott, Heath, Acker.

Our 1947 Football season opened on the night of Friday, Sept. 13, with a shellacing for the Pirates as Geneva mowed us down with a score of 25-0. Although we had a fairly good team, we were never able to swing into the winning groove.

The following scores are sufficient proof of this:

<u>Perry</u>	<u>Opponent</u>
0	Geneva-25
6	Jefferson-31
0	Madison-20
24	Edgewood-7
27	Kirtland-0
0	Wickliffe-20
24	Chardon-31
6	Madison-14
7	Fairport 18

With the gridiron material now on hand, and with "Muscles" Porowski to lead them, you fans can look forward to a much better season next year.

Basketball Team

Seated-Left to Right- Carter, Brewster, Taft, Coach Porowski, Cole (captain), Kangas, Thompson, LeBaron.
 Standing-Left to Right- Rockow, Droese, Thompson, Watson, Robinson, Ashcraft, Pierce, Elliott, Peltoma.

Our 1947-'48 Basketball season was comparable to our football season.

The Varsity won a total of three games out of a possible fifteen.

The Reserves came out of the season with a better record by winning six games out of fifteen.

We sincerely hope that our 1948-'49 season will be better.
